EXECUTIVE ASSISTANT | VIRTUAL & ADMINISTRATIVE PROFESSIONAL | OPERATIONS SUPPORT

Angeles City, Pampanga | christine.vital1129@gmail.com | +63 9175387457 | linkedin.com/in/tin-a-5b74a0234/

PROFESSIONAL SUMMARY

Detail-oriented and proactive Executive Assistant and Administrative Professional with over 9 years of experience supporting remote executives, managing operations, and implementing business systems. Proven track record in calendar and email management, meeting coordination, compliance documentation, and client-facing support. Direct experience in the healthcare sector through work with Function Health and Beaming, including HIPAA-compliant data management. Adept at managing multiple priorities independently while maintaining high accuracy and professionalism.

AREAS OF EXPERTISE

Administrative & Executive Support • Calendar & Diary Management • Meeting Coordination & Minute-Taking • Compliance & Document Management • Record Keeping & Reporting • Recruitment & Onboarding Administration • Client-Facing Communication • Systems Implementation & Workflow Automation • Data Analysis & QA • Virtual Assistance

PROFESSIONAL EXPERIENCE

Virtual Asst / Exec Asst / Systems Implementer, Brain in a Box

Oct 2016 – Present

Australian company — Remote (Contractor)

- Provide client-facing administrative and executive support, guiding clients through business system workflows and tools including Google Sheets, Google Sites, and SharePoint.
- Manage and maintain clients' systems hubs (Google Sites, SharePoint), ensuring documentation is organised, up-to-date, and accessible.
- Coordinate calendars, emails, and scheduling across multiple time zones to support smooth daily operations.
- Attend and facilitate meetings, take minutes, track action items, and follow up on outstanding tasks.
- Implement and configure business systems and tools tailored to client operational needs.
- Manage and mentor junior team members by delegating tasks, providing guidance, and monitoring quality of work.
- Prepare structured documentation, reports, and presentations to support executive decision-making.

Automation Strategist Expert, Pareto AI

Mar 2025 – Feb 2026

US company — Remote (Contractor)

- Designed and implemented automation workflows that reduced manual tasks by 50%, improving team efficiency.
- Integrated APIs across Slack, Coda, Metabase, and Google tools to streamline reporting and communication.
- Trained and upskilled team members on automation best practices, improving adoption rates by 50%.

Lead Analyst / QA Analyst, Pareto AI

Sept 2023 – Feb 2025

US company — Remote (Contractor)

- Led a team ensuring data accuracy and system reliability across multiple AI training projects.
- Developed QA protocols that decreased reporting errors by 50%.
- Conducted detailed QA reviews of AI training data and annotations, maintaining high accuracy standards.
- Collaborated with cross-functional teams to enhance project delivery timelines.

Data Analyst / Virtual Assistant, Pareto AI

Mar 2022 – Aug 2023

US company — Remote (Contractor)

- Conducted in-depth data analysis for healthcare clients including Function Health and Beaming, delivering actionable insights to support business decisions.
- Handled sensitive medical data with high accuracy, performing data entry and QA tasks in full compliance with HIPAA standards.
- Built dashboards and reports that improved visibility into KPIs and operational metrics, contributing to a 20% increase in operational efficiency.
- Provided virtual administrative support including calendar coordination, email management, documentation, and task organisation for remote teams.
- Conducted research and lead generation for multiple clients, supporting business development initiatives.
- Completed training in GoHighLevel (GHL) CRM, Xero, and QuickBooks to support CRM and bookkeeping operations.

Teacher I, DepEd Angeles City

June 2011 – Nov 2016

- Delivered structured lessons and managed classroom operations in line with DepEd curriculum standards.
- Developed instructional materials, assessed student performance, and maintained accurate records.
- Collaborated with colleagues, parents, and the school community to improve student outcomes.

KEY ACHIEVEMENTS
